Volunteer Experience

Peer Mentor Program

University of the Witwatersrand

2022 - Present

A peer to peer program in which the senior students provide emotional and academic guidance for the first years

Animal Outreaches

Various Locations

Ongoing

Working with various organisations, I have assisted with the upkeep of various animal's shelters, mental stimulation and nutrition

Community Outreaches

Various Locations

Ongoing

Working with various organisations I have assisted with planting gardens for schools, campaigns for education resources and providing stimulation for children.
